S33WT-WH

WHY TURTLE LIGHTING?

- Six of Eight Sea Turtle Species are Endangered.
- Between March & October, Sea Turtle Hatchlings are Confused by the Artificial Light from Coastal Dwellings and Head Toward Pools and Streets Instead of the Safety of the Sea.
- AP's Turtle-Friendly Lighting Assures No Light Reaches the Beach to Harm the Hatchling Turtles.

Turtle Lights Available in Five Colors!

Specify: Blackstone (BK), Whitestone (WH), Greenstone (GN), Sandstone (SN) or Graystone (GY)
